

## FAQs

**Ages 5 Must be able to swim the length of pool.  
Up to ages 18.**

Beginners to advance. This is a recreational swim team and a great place for kids to get started. We will help them learn how to be on a swim team and improve their swim strokes and swimming skills.

Evening practice times during the last month of school, then morning and evening options available in summer, see below.

**HANDBOOK**

# 2022 Gators Swim Team

## **Team Coordinators**

If you have any questions, please email [gators@crossgatesclub.com](mailto:gators@crossgatesclub.com) or Darlene Ting at [darlene@crossgatesclub.com](mailto:darlene@crossgatesclub.com) and we will get back to you. For up-to-date team information, please see the team website at [cg-gators.com](http://cg-gators.com) or our Facebook page – Cross Gates Aquatics.

## **Coaches**

Coaches will be Macie Rodriguez (head coach) Ramon Barrueto, Andrea Barrueto, and Reagan Elmore.

## **Practice Schedule and Meet Dates**

Please see the calendar (attached) for meet dates and practice schedule. Please put these dates on your calendar as soon as possible to prevent conflicts for your swimmers. Every swimmer should participate in as many meets as possible. If a swimmer misses too many meets they will not be eligible to swim in the City Championship.

As Gators Swim Team members, we will follow all posted pool rules and regulations of Cross Gates Family Fitness. Gators Swim Team members who are **not** CGFF members are allowed in the pool **only** at officially designated swim team practice times and in the designated pool areas. If you or family members would like to join the club please contact Cross Gates Family Fitness at 985-643-3500.

## **Costs**

Team fees vary and are found on the team website [CG-Gators.com](http://CG-Gators.com) and on the registration forms. Registration fees must be paid in full at time of registration and are non-refundable after a certain date (as stated on the registration form). Any refunds are at the discretion of the Aquatics Manager and do not include the St. Tammany Parish Swim League dues.

## **Team Suits and Gear**

Team suits (and other swim gear) can be ordered from [www.swimoutlet.com/crossgatesgators](http://www.swimoutlet.com/crossgatesgators) throughout the season.

### **Uniform and Gear:**

- Gators Swim Suit
- Gators T-shirt
- Goggles, swim cap and fins

## **Team Pictures**

Team and individual photos will be scheduled soon. Fees for pictures will be paid directly to the photographer.

## **Team Communication**

Team information is sent via email through our team website ([cg-gators.com](http://cg-gators.com)) and through our Facebook page (Cross Gates Gators swim team and Cross Gates Aquatics). Each family is expected to check their email regularly during the season and check the team website for updated information. Cross Gates Family Fitness staff will not have team information. If you do not have access to an email account, please see a Gators Swim Team Board member for an alternate point of contact.

Please note that practices are not canceled due to cloudy weather or predicted rain. A weather-related cancellation happens rarely and is only for active lightning in the area. All other schedule changes will be sent via email and/or Facebook.

You will be **required to sign your swimmer in for each** meet. This information will be sent via the team website and you will have to go to the site to sign-in your swimmer and sign up for your volunteer shift. Please make sure your login works prior to the first meet. If you do not sign-in by the deadline, your swimmer will **not** be entered in the meet. Coaches and meet officials will be **unable** to add your child into the meet if they are not signed in by the deadline.

## **Volunteering At Meets**

***For each meet that your child swims in, you are responsible to fill one shift!***

Swim meets are organized and run solely by volunteer help. Do you realize that it takes more than **40** volunteers to run a home meet? We also must provide volunteers at away meets (although not as many). Volunteering is a good way to meet some great parents and kids. If you have small children, please share childcare with other parents and work rotating shifts. Working together, we will have a great season and the meets will run smoothly. Without your help, the meet **cannot** run! Meets are divided into two shifts so that no one has to work the entire meet. Most positions offer on-the-job training by experienced people. **ALL PARENTS ARE EXPECTED TO HELP.**

### **Meet Volunteer Positions:**

- **Clerk of Course:** Announces and gathers swimmers by age group to give them their “cards” for their events. For each event, swimmers are grouped by heat and lane.
- **Timers:** Three people per lane are needed to time each swimmer. This is done by using a stopwatch provided by the team. All times are written on the swimmer’s card. This is a nice way to see all of the events up close—you have the best seats on the pool deck! Don’t hesitate to sign up for timer as our head timer will provide instructions during the warm-up hour before each meet.
- **Deck Parent:** Two people per shift who will help get the swimmers seated in the correct heat and lane. This is an important job and helps ensure the meet runs smoothly.
- **Runners:** At least three people are needed to collect the cards from the swimmers, take them to the timers and finally to the check table.
- **Computer/Checkers:** The swimmers’ cards are sorted by event, paired with DQ slips, and sent to the computer group. The completed cards are double checked, and the official time is entered into the computer. Heat results, ribbon labels and reports are generated. This is an inside job with A/C.
- **Awards:** Most help with ribbons is needed midway through a meet and continues until after the swimming ends. Labels with swimmers’ names, times, and events are attached to ribbons and sorted by team.
- **Starter:** This person is in charge of running the meet by calling and starting each event. This job requires some extra training and is vital to the meet running smoothly.
- **Stroke Judges:** This position requires formal training. A stroke judge must attend a mandatory certification class annually. This is a great way to learn about stroke technique and disqualifications for every stroke.
- **Parents in Charge of Relay Teams:** Our ten and under swimmers need help organizing themselves for relay events. You will help gather the relay team together and help them get in position for their event.
- **Set up and Clean up:** These people are needed about an hour before the meet to help move equipment and set up for the swimmers and then after the meet to get the pool deck back in order for the pool to open.

## **Meets**

There is no swim team practice on the day of a meet. Meets are held during the week (usually on Mondays, Friday or Saturdays) in the late afternoon or early morning, and can last up to four hours. Swimmers are expected to remain there for the entire meet (relay teams swim in the final events). Consider bringing chairs, sunscreen, insect repellent, canopies, snacks, drinks, toys, games, books, etc. to ensure comfort. Team members should remain in the team area during the meet.

Championship meets (B, A, City) are all-day events normally held on Fridays and/or Saturdays. The A and B meets are divided by age group; 10 and under compete in the morning and 11 and up compete in the afternoon. The City Meet occurs over two days with the 10 and under swimming on Friday and the 11 and up group swimming on Saturday. A swimmer is eligible to swim at the City Meet provided that she/he has swam two events at any league run event during the season.

Don't leave a meet early without checking the relay events with your coach. Your child may be on a relay team and it will cost the team points if they are not there to swim the event.

## **What is a Heat Sheet?**

The host team provides "heat sheets" at meets for a nominal fee. It lists the events and heats that the swimmers swim in. You will want to purchase one of these.

## **Ribbons and Scoring**

There are three official timers on each lane. The swimmer's middle time is used as the officially posted time. Heat winner ribbons are given by the timer as a swimmer leaves the pool. At dual meets, ribbons are awarded for individual and relay events up to sixth place. These are handed out at the next practice or will be placed in the family folder in the awards box. If your child is missing a ribbon, please email a board member. We will help to rectify the problem.

Championship meets award medals for 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> place, and ribbons for 4<sup>th</sup> through 12<sup>th</sup> place. Medals are only given for individual events and relays. For individual and relay events finishing up to 12<sup>th</sup> place, points are awarded to teams. Meet high-point scorers and runners-up are given trophies for each age group.

Remember, when we host meets and championships, we are to be good stewards of the Cross Gates property and facilities. We rely on the help of all team members and their families to pick-up the area, store equipment and return the pool deck to its recreational set-up.

## **Social Events**

Our swimmers begin the season with a "Fun Meet". The purpose of this meet is to introduce inexperienced swimmers to what a meet is like and to provide a little on-the-job training for our new volunteers. The times are recorded for "seed" times for placement of swimmers in heats at upcoming meets.

We will also be having a number of fun Team Building events this year.

The Awards Banquet is held to honor swimmers at the end of the season. Trophies will be given for participation, high point winners and most improved. This event is for swimmers and their families and is a great ending to the season.

# Volunteer Agreement

## Volunteer Requirements:

A PARENT OR FAMILY MEMBER MUST VOLUNTEER AT LEAST 3 TIMES during the course of the season. Numerous opportunities will be provided during the swim meets. If this obligation is not met, then a swimmer may not be eligible to return the following season.

## Meet Volunteer Positions

Meets are divided into two shifts so that no one has to work the entire meet. Most positions offer on-the-job training by experienced people. The positions with the stars require special training. Please speak with your team coordinator if you are interested in getting the training for these positions. We would appreciate all parents volunteering.

Volunteer positions include the following:

**\*\*Clerk of Course**  
**\*\*Stroke Judges**  
**Timers**  
**Runners**

**Awards**  
**Computer**  
**Set up**  
**Clean up**

Please see the team handbook to get a description of each of the above positions.

All Volunteer positions will be posted on our team website. Please remember that there is an obligation for a parent or family member to volunteer at least 3 times.

My signature below indicates that I have read and understand the policy regarding volunteering at meets. I understand that I am responsible for volunteering for one shift at each meet my child is entered in to swim.

# Concussion Dangers Acknowledgement Form

## Concussion Danger Signs

In rare cases, a dangerous blood clot may form on the brain in a person with a concussion and crowd the brain against the skull. An athlete should receive immediate medical attention if after a bump, blow, or jolt to the head or body s/he exhibits any of the following danger signs:

- One pupil larger than the other
- Is drowsy or cannot be awakened
- A headache that not only does not diminish, but gets worse
- Weakness, numbness, or decreased coordination
- Repeated vomiting or nausea
- Slurred speech
- Convulsions or seizures
- Cannot recognize people or places
- Becomes increasingly confused, restless, or agitated
- Has unusual behavior
- Loses consciousness (even a brief loss of consciousness should be taken seriously)

## Why Should an Athlete Report Their Symptoms?

If an athlete has a concussion, his/her brain needs time to heal. While an athlete's brain is still healing, s/he is much more likely to have another concussion. Repeat concussions can increase the time it takes to recover. In rare cases, repeat concussions in young athletes can result in brain swelling or permanent damage to their brain. They can even be fatal.

## What Should You Do if You Think Your Athlete has a Concussion?

If you suspect that an athlete has a concussion, remove the athlete from play and seek medical attention. Do not try to judge the severity of the injury yourself. Keep the athlete out of play the day of the injury and until a healthcare professional, experienced in evaluating for concussion, says s/he is symptom-free and it's OK to return to play.

Rest is key to helping an athlete recover from a concussion. Exercising or activities that involve a lot of concentration, such as studying, working on the computer, or playing video games, may cause concussion symptoms to reappear or get worse. After a concussion, returning to sports and school is a gradual process that should be carefully managed and monitored by a health care professional.

## Remember

Concussions affect people differently. While most athletes with a concussion recover quickly and fully, some will have symptoms that last for days, or even weeks. A more serious concussion can last for months or longer.

It's better to miss one game than the whole season. For more information on concussions, visit:  
[www.cdc.gov/Concussion](http://www.cdc.gov/Concussion)

**I hereby state that I have read and acknowledge the above Concussion Dangers Acknowledgement Form**
