PROGRAM DESCRIPTION

Active: These programs are for the mobile individual actively engaged in life but may want modifications such as low to A zero impact while still having the options for intensity.

Gentle: These classes are for the senior who is ready to slow down slightly with adaptive exercises that are easier on G the body and provide options that more closely monitor heart rate and balance while still helping to maintain cardiovascular health, strength and mobility.

TRY THESE CLASS FAVORITES TO GET STARTED TODAY!

Silver Sneakers - Exercises for everyday life activities! Starting in a chair and moving to standing, this class is great for seniors, deconditioned beginners or people with physical challenges. I **Flexercise** - Designed for all skill levels using movements to maintain or enhance strength, flexibility, coordination, and balance while standing and seated. Exercises using hand weights, balls, rhythm sticks, and resistance bands all set to fun music! | Silver Yoga: Seated Chair - Gentle yoga using a chair for support. Designed to improve flexibility, stability, balance, and improve range of motion. | Zumba Gold - A low impact modified Zumba class for active older adults with super fun moves at a lower intensity. Also incorporates strength work with hand weights. Easy-to-follow choreography that focuses on balance, range of motion and coordination. I Dance Gold - A low impact, high energy dance class for active adults focusing on music from 50s, 60s & 70s.
